M E M O R A N D U M

DATE: March 10, 2005

TO: Leon County Board of County Commissioners

FROM: Cliff Thael, Chairman 

SUBJECT: Mayor/Chair Meeting of Wednesday, March 2, 2005

The attached minutes of this month's Mayor/Chair meeting are provided for your information and review. Please note the discussion in regards to the co-location of the City and County Growth Management Departments. The City Manager has proposed that we look into moving these departments into the new Frenchtown Renaissance Center. The City of Tallahassee currently leases space in the Center, with the option to buy, and additional space is available.

There was great excitement and motivation on the part of City officials about this concept. I share this excitement, and based on our visit to the Development Resource Center in Chattanooga, the County Administrator concurs. Staff will analyze this proposal and report to us at our next BOCC meeting on the 22nd of this month.
